Apologetics Quiz #2

1. True or False: Apologetics is necessarily confrontational.
2. True or False: Only believers may engage in Christian apologetics.
3. True or False: The objective of apologetics is to persuade someone to be a Christian.
4. True or False: Because of Man's sin nature, a Christian apologist should not appeal to a man's reasoning ability.
5. What can we learn from Genesis 1:1 that is helpful in apologetic terms?
6. The order of creation (as opposed to chaos) makes God _____ to all men.
7. Men and women inherently know right from wrong because:
 - a. They are taught this from a young age.
 - b. Certain aspects of our culture are socially imposed upon them.
 - c. They have a conscience.
 - d. The premise is wrong. There are no universal truths.
8. What are the two basic ways God reveals Himself today?
9. List a Scripture that shows Creation is dependent upon God.
10. Name two problems with presenting extra-biblical evidences to an unbeliever in evangelism.
11. What is the two-fold mission of a Christian apologist?
12. Extra Credit (5 points): Why is all reasoning about God and/or science circular?
