Apologetics Quiz #5

1. True or False: An unbeliever who has never heard the Gospel will nonetheless be held accountable for his/her unbelief on judgment day.
2. True or False: Many men would like to believe in Jesus Christ, but they just can't seem to learn the truth.
3. True or False: When confronted with historical and scientific evidence, unbelievers will be inclined to be more open to the Gospel.
4. True or False: By seeing the evidences for God in creation, an unbeliever can eventually reason his/her way to faith.
5. Explain how this verse applies to Man's lost condition: **Jeremiah 13:23** ²³ "Can the Ethiopian change his skin Or the leopard his spots? *Then* you also can do good Who are accustomed to doing evil."
6. What can reduce our best apologetic arguments to just so much "hot air?"
7. Pratt stresses consistency in two areas of a Christian's life to help his/her evangelism. What are they?
8. How can a Christian have any hope of successfully witnessing to an unbeliever who is much more intelligent than he/she is?
9. (Two points) A Christian need not answer *every* question of an unbeliever. Explain.
10. (Two points) What is wrong with answering a hypothetical question about Christianity being proven untrue?
11. (Two points) Discuss: Christianity is rational (logical), but we can't appeal to the unbeliever's rationality.
12. (Two points) How are the viewpoints of a Christian and an unbeliever different with regard to science?
13. What is the ultimate problem with Little's apologetic methodology (i.e. the way he presents the Gospel)?
14. Extra Credit (4 points): What are the 4 W's (one point each—must be as presented in class)?
