

Name: \_\_\_\_\_

**Hermeneutics**

**Quiz #4 ( Zuck Book pg. 61-120)**

**Oct 6, 2005**

1. When studying the Bible, it is always best to read into, beyond, or between words for some deeper, more spiritual meaning.
2. It is important to realize that God is a God of sense.
3. We can get behind a person's writings to know their intentions.
4. Often, the biblical books are purposeless, that is they apply to many situations over time.
5. When we speak of inspiration of the Bible, we do not mean that the writers were inspired.
6. Please describe Christ's view of the OT.
7. Culture includes what people think, believe, say, do, and make.
8. Briefly discuss why God brought the 10 plagues to Egypt.
9. Foot washing should be done in a corporate worship service.
10. Every word in the Bible serves a purpose.
11. Etymology discusses the development of the Hebrew culture.
12. The meaning of words in English should be read into the biblical meanings because language are often fluid.
13. The same Greek word can have multiple meanings in the Bible.
